**Give discounts to customers who buy for longer tenures.**

**Example: When your customer purchases for 1 month, he will be charged Rs. 1551/m, but if he purchases for 3 months or more,**

you can give him a discount by charging him less. However, if you do not wish to use Telescopic Pricing for your Customers,

you may set the same Selling price as the 1st month for all other months

The screenshot shows a web dashboard with a blue navigation bar at the top. The navigation bar includes a home icon, and menu items for Products, Customers, Sub-Resellers, My Billing, Settings, Tools, and Help. The 'Tools' menu is open, showing options: Reports, Spam/Abuse Processing, Login History, Reload SuperSite & PartnerSite Cache (selected), All SuperSite & PartnerSite Settings, SuperSite & PartnerSite Active Products Data, SuperSite & PartnerSite Domains and Additional Services Data, SuperSite & PartnerSite Promotional Offers, SuperSite Web Services Data, SuperSite Payment Preferences, SuperSite & PartnerSite Legal Agreements, SuperSite & PartnerSite Reseller Branding, and PartnerSite Reseller Slabs.

Below the navigation bar, there is a light blue banner with a tip: "TIP: Need help setting up your account? Use the reseller set up guide".

A search bar is located below the banner, containing the text "Domain / Order ID".

The dashboard is divided into two main sections: "Funds Summary" and "Manage Orders".
