The screenshot displays the 'RESELLER HOSTING' control panel interface. At the top, there is a header with 'YOUR BRAND' in a box, a server rack icon, and the text 'RESELLER HOSTING with WHM | WHMCS Learn More'. Below the header is a navigation bar with tabs: Home, Products, Customers, Sub-Resellers, My Billing, Settings, Tools, and Help. The main content area is divided into several sections: 'Quick Links' (Last Login on: Mar 26, 2012; Billing Summary; CSV Data Export), 'Promotional Offers' (There are no promotional offers.), 'Add New Order' (Select Product to Add), 'Manage Free Services' (Enter Domain Name; Service to manage), 'Jump to Domain' (Enter Domain Name or OrderID; Select a Product), 'Jump to Renewal Management' (Show Orders expiring in days), 'Jump to Customer/Sub-Reseller' (Enter UserID or Email Address; Customer; Sub-Reseller), and 'Announcements' (Mar 30, 2012: LogicBoxes: Product & API Updates; Mar 27, 2012: Multi-Domain Hosting on Windows is now LIVE!; Mar 14, 2012: UX Changes to the Customer Control Panel). Callout lines connect external text blocks to these specific features.
